Beyond the Potluck: Offering Programming that “Sticks to Your Ribs”

May 26, 2015 8:00 pm

Theme-based ministry is a powerfully engaging way of focusing the life of a congregation on monthly themes through worship, religious education, small groups and other activities.

How is this innovative program different from monthly worship themes and how does it meet the needs of people of all ages? Join us to find out.

Rev. Renee Ruchotzke has served as Congregational Life Staff in the Central East Region since September of 2010. As program manager for Leadership Development, she is responsible for providing consultation, programming and training material (including webinars and videos) on various aspects of congregational leadership and development. Renee is also Dean of the UU Leadership Institute (formerly known as H-UULTI).

Transitions

Lori Emison Clair, who is currently our Vice President, but is one of UUAMP's Founding Mothers, is leaving her job. She has been in her position at the First Unitarian Church of Des Moines for 11 years and she is ready for a change. While I am happy that she will be able to take some time off to spend with her family, I am devastated to lose her as a colleague in this work. We have worked closely for over 6 years and I am going to miss having her expertise, experience and energy that always is pushing us to do more. The UUAMP Board is thankful for her willingness to be a consultant with our Certification Program while she prepares for new employment.

Connections Chat

UUAMP invites you to "Connections Chat" [where we can all chat about what's working in your congregation, and what you may need help with! The topic this time is "The Path to Membership/Membership Classes". This was a big topic of interest on our last book discussion group. Come and chat with us! Register here:
